Your cost per Visit: \$175.00	Your cost per Visit: \$225.00
Your savings: \$279.45	Your savings: \$211.46

Our kitten wellness program allows you to provide the best veterinary care for your kitten at considerable savings. Depending on the age of your kitten at your first visit, you may enroll in either the 4-Visit or 3-Visit Kitten Wellness Program. Upon enrollment, you will pay a flat fee at each visit depending on the plan selected and will receive a spay/neuter certificate at your kitten's last wellness visit to redeem your included spay or neuter surgery.

*Core vaccines include FVRCP, FeLV and Purevax Rabies.

*Spay or Neuter Surgery includes Basic Spay or Neuter, IV catheter, antibiotic Injection, pain injection and pain medication after surgery. Your pet's Home Again microchip will be placed during the surgery. *Pre-anesthetic bloodwork is not included in the spay or neuter surgery. If your pet is in heat or has retained testicles, there will be an additional fee of \$65.00. If you wish to have your kitten declawed, there is an additional charge of \$150.00. **Your pet's spay or neuter must be performed between the age of 4-7 months, unless the doctor has stated a medical reason for waiting.***

The kitten wellness program **does not** cover exams if your kitten is sick. If we are not able to vaccinate your kitten due to an illness, you will be charged a sick visit exam and we will schedule a wellness appointment for your kitten's vaccinations.

There is no enrollment fee for our plan and the plan can be cancelled at any time. If you choose to cancel your plan, all services will be billed at regular prices.
